PRESCRIPTION PROGRAM DETAILS:

Program pricing may be limited to select manufacturers of a covered drug and is available as long as store supplies in stock at the pharmacy from such manufacturers list.

You may pay less or more than the program price, depending on the terms of your health plan. Prescriber permission may be required to change a 30-day prescription to a 90-day prescription. Certain plan, including government-funded programs, may not cover a 90-day supply.

Prescription program includes up to a 30-day supply for \$5 and a 90-day supply for \$10 of some covered generic drugs at commonly prescribed dosages.
